

Asia University 106 Academic Year Second Semester

Department of Photonics and Communication Engineering **Rong-Hwei Yeh** Office Hour Schedule

		Monday	Tuesday	Wednesday	Thursday	Friday
1	08:10   09:00	prepare lessons or research	<b>office hour</b>	Introduction to Optoelectronics Industry	<b>office hour</b>	prepare lessons or research
	location	HB16R	HB16R	H506	HB16R	HB16R
2	09:10   10:00	prepare lessons or research	<b>office hour</b>	Introduction to Optoelectronics Industry	<b>office hour</b>	prepare lessons or research
	location	HB16R	HB16R	H506	HB16R	HB16R
3	10:10   11:00	prepare lessons or research	<b>office hour</b>	Introduction to Optoelectronics Industry	<b>office hour</b>	prepare lessons or research
	location	HB16R	HB16R	H506	HB16R	HB16R
4	11:10   12:00	prepare lessons or research	<b>office hour</b>	<b>office hour</b>	<b>office hour</b>	prepare lessons or research
	location	HB16R	HB16R	HB16R	HB16R	HB16R
N	12:10   13:00					
	location					
5	13:10   14:00	<b>office hour</b>	prepare lessons or research	Semiconductor Devices Simulation	Technology Application and Life-4	Off-campus research
	location	HB16R	HB16R	I628	I427	
6	14:10   15:00	<b>office hour</b>	prepare lessons or research	Semiconductor Devices Simulation	Technology Application and Life-4	Off-campus research
	location	HB16R	HB16R	I628	I427	
7	15:10   16:00	<b>office hour</b>	prepare lessons or research	Students Guidance and Advising Hours (4)	Technology Application and Life-4	Off-campus research
	location	HB16R	HB16R	I629	I427	
8	16:10   17:00	<b>office hour</b>	prepare lessons or research	Semiconductor Devices Simulation	Technology Application and Life-4	Off-campus research
	location	HB16R	HB16R	I628	I427	
9	17:00   18:00					
	location					
10	18:30   19:15					
	location					
11	19:25   20:10					
	location					
12	20:20   21:05					
	location					
13	21:15   22:00					
	location
